

Be Part of the New Equation!

E = MC² means: **E**ducation = **M**useum x **C**ommunity **²T**ogether! And **that** adds up to a new program – **The Einstein Express!**

Let this equation assist you in giving your classes an interactive and fun way to experience New Mexico history and science. Community members and businesses are starting to sponsor **E**ducation by underwriting:

Ma bus (with our partner **Herrera Phillip School Buses**)

Ca class of 30 students

²Ta class of 30 students + a bus for transportation

All you have to do is enroll and make sure the students write **thank-you notes** to the donor.

(Donors have the option to designate their sponsorship to a specific school or class.)

When we have sponsors, we'll be calling **YOU** to schedule your program! **Availability is limited, so please enroll NOW!**

Enroll me on the Einstein Express!

- Teacher Name: _____
- School: _____
- Teacher and/or school contact number: _____
- I want to request a specific museum education program: _____
- The best time of year for my classes to attend is: _____
- I understand that after hearing we have received the funding we need to provide NAM at least two weeks notice to prepare for the field trip.
